The programme will consist of exposing the student to South Africa's rich cultural and linguistic history. The dynamics of the Eastern Cape's frontier as meeting place of different cultures and languages as a microcosm of South Africa will be discussed.

Programme Presentation

The programme will explore intergroup relations on the Eastern Cape Frontier and introduce students to the cultures and languages specific to the Province of the Eastern Cape.

The programme will expose students to the Eastern Cape as the birth place of Nelson Mandela and other struggle heroes. In addition to this, students will be exposed to Nelson Mandela Bay, one of the places that played a critical role in the establishment of a democratic South Africa.

Lectures are facilitated by academics and community experts. Lectures consist of theoretical and interactive sessions. Thorough lecture preparation and active participation will ensure an optimum learning experience.

Incorporated in the programme are excursions that will immerse students into South Africa's rich cultural and environmental heritage. This will be enabled through field trips to museums, heritage sites and exposure to various communities.

On completion of this programme students will:

- Be familiar with South African history
- Have an understanding of anti-apartheid struggle and transition to democracy
- Have insight into South Africa's various cultures and languages, with specific focus on isiXhosa

Where is Nelson Mandela Bay?

Port Elizabeth - Nelson Mandela Bay is the beautiful coastal city where the Nelson Mandela University is located.
